Agneta Nyholm Winqvist, known to readers for her books on Feng Shui for Swedish homes and Feng Shui for Swedish gardens, worked as a lecturer on everyday psychology and personal development for many years before coming into contact with Feng Shui and starting the Nordic School of Feng Shui.

FENG SHUI FOR NORDIC HOMES

This best-seller about the new furnishing trend that makes you feel good at home.

The oriental teaching of Feng Shui forms the basis of this new trend in interior design, bringing harmony to your home. This is the first book designed for Nordic homes. It is inspiring, personal, easy to understand and simple to use. Featuring many examples, its ambition is not to lay down a lot of rules of what to do. You decide what is right for just you. Has already sold over 20 000 copies.

Format: 190x225 mm. 192 pp. Fully illustrated in color. Published.

ISBN: 91-518-4160-6

FENG SHUI FOR GARDENS

“If a home does not have a garden and an old tree, I do not understand where the pleasures of life are going to come from.” Ancient Chinese master.

Get to know the Feng Shui tools, including the five elements and yin and yang. With the help of explicit sketches and inspiring color photos, the author goes through everything you ought to bear in mind if you want to attain harmony in your immediate surroundings. Balance is a central concept. It does not make any difference whether your garden is large or small – even a balcony can make a “life giving” garden.

Format: 190x225 mm. 192 pp. Fully illustrated in color. Published.

ISBN: 91-518-4127-4

FENG SHUI FOR YOUR SOUL

Feng Shui is so much more than just putting your armchair in the right place, cleaning out your wardrobe or seeing that you have the right vegetation outside your house. It is about the interplay between our inner world and the outer world, a desire to attain balance and harmony inside and out. A celebration of life is one of the basic themes in the book, and after a guided tour of the basics of Feng Shui, the author concentrates upon how you can maintain the feeling of enjoying life.

Format: 150x190 mm. 160 pp. Fully illustrated in color. To be published in August
